

PREMIER QUALITY PRODUCTS INTERIOR COMPONENTS

Ask for Premier Quality Products Ford restoration products by name. We manufacture and supply the highest quality, most authentic interior components available such as seat upholstery, door panels, headliners, sunvisors, kick panels, dash pads, convertible top boots and other interior trim items. We have gone to great lengths to produce our original Ford interior components with the highest quality materials and American workmanship while maintaining the critical details for original appearance. We are so confident of our quality that we offer a two-year limited warranty on our upholstery and door panels.

Because our vinyls are manufactured to match factory original colors while meeting or exceeding factory specification, you can be assured that Premier Quality Products vinyls are UV stabilized to retard fading and meet cold crack tolerances as well as the Federal Motor Vehicle Safety Standard (FMVSS) for fire prevention.

IMPORTANT NOTE:

Because these products require a level of expertise for the best results, we highly recommend professional installation of our interior components. We suggest installation of our interior upholstery and unassembled door panels by an experienced trim shop that is familiar with restoration of classic cars. We will only warranty door panels and seat covers that are installed by a professional upholstery shop. If a warranty claim is submitted, we will require a copy of the receipt for installation from the upholstery shop.

LIMITED WARRANTY:
